

## A Prayer of Blessing

Abba Father, I ask You to bless my friend(s) \_\_\_\_\_  
as I lift them before Your Throne.

I am asking You to minister Your life and Your love to their spirit, soul and body at this very moment.

Where there is pain, give them Your healing grace and mercy.  
Where there is doubting, release a renewed confidence in Your ability to work miraculously in and through them.

Where they are tired and weary, I ask You to refresh them and to give them Your understanding, patience and strength as they learn submission to Your leading.

Where there is spiritual stagnation, I ask You to renew them by revealing Your nearness and by drawing them into deeper intimacy with You.

Where there is fear, reveal Your love and fill them with Your courage.

Where there is any sin blocking their spiritual growth, reveal it to them and break its hold over my friend's life.

Bless their finances. Give them greater vision and raise up leaders and friends to support and encourage them.

Give them discernment to recognize the spiritual forces around them and anoint them with the faith and power they have in You to vanquish all the lies of Hasatan.

I humbly request this for my friend(s), in Y'shua's name

**Amen**
