

## Seed of Abraham Messianic Congregation

### A LOT GIVING A LITTLE - DIRECT DONATION CAMPAIGN

Seed of Abraham is the oldest Messianic Congregation in the Twin Cities, ministering for over the past 27 years. Many of you receive our newsletter and are familiar with our unique outreach to the Jewish and Christian Communities. If a significant number of you will become a part of the simple plan explained below, this ministry will be radically and positively affected in two ways, such as:

- **We would have a predictable income stream** – allowing us to better plan and budget our funds.
- **We would have funding for the communication of the Gospel in its Jewish context.** It has been our vision to reach the Jewish and Gentile Community with the Gospel through radio, cable TV and Internet, as well as having our own building from which to reach the community so that we can have a much more significant impact on the greater Twin Cities.

*So what is this great plan?* Recently, a local company called **Reliafund** showed us how we could mobilize many more of you to financially partner with us in this effort without having to make a large financial commitment through Direct Donations. **We are looking for a large number of you to commit to giving a very small regular donation of \$5.00 or \$10.00 a month through automatic giving.** *Currently, our budget comes in from a small group of individuals who give regularly to this ministry.* The rest of our funds come in through unpredictable one-time gifts, offerings at the feasts and special events. This makes it very difficult for us to plan and to budget each year and often puts us in crisis. That's what makes what Reliafund has to offer, so significant to us. **Through Reliafund, we can transfer your donation directly from your account into ours, at a fraction of what it costs through the mail.** Just like many of you do with your monthly bills. With your permission, the bank will make your donation to Seed of Abraham Messianic Congregation directly from your bank account.

Simply complete the authorization form below and indicate the amount and date you wish your gift to be withdrawn. *You can increase, decrease or stop your contribution any time you'd like by calling our office or writing us a note.* Just give us a week to make your change. Direct Donation is a great way for a large number of you to carry a very small weight and together lift an enormous load!

If you are already a one-time donor, would you consider donating regularly and take advantage of the convenience of this system? And if you already are a regular giver, if you'd like, you can stop mailing your checks and take advantage of this system as well. **If you haven't given, would you consider even a small gift of \$5 every month to help us in this vital ministry of unity and reconciliation in the Body of Christ? All of your donations are tax-deductible and will given a receipt at the end of the year.**

We are ready to accept your monthly commitment to stand beside this vital ministry. We have everything in place to begin immediately, so please fill out the direct donation form on the next page and mail it to us at:

Remember, even if your monthly gift is only \$5.00 a month, it will make a great difference for us and almost no inconvenience to you! **Pray with us that many will respond to this opportunity and take this ministry to a whole new place in 2010! A lot giving a little can get the job done!**

God bless and Shalom.
